

SPICE ACE

Put more spice in your life and cooking

With an assortment of over 250 different spices, herbs, salts, chilies, peppers, sugars, extracts and blends from all over the world, variety truly is the spice of life at San Francisco's Spice Ace.

With all their products stored in glass jars to ensure maximum freshness from the store shelf to the dining room table, this up-and-coming small business is committed to providing the highest-quality product at an affordable price, both at their retail location and online.

Looking for the perfect gift for that special chef in your life? Spice Ace also offers 30 different gift sets.

Each set includes 6- to 9.25-cup glass jars of herbs and spices, based on themes that include the "Middle Eastern Cuisine Set," the "Sea Salt Lover's Gift Set" and the "Chile Powder Lover's Set." Each set comes in a white gift box, tied with a bow made of red raffia ribbon.

A cooking enthusiast herself, co-owner Olivia Dillan says that her growing obsession with quality ingredients transformed her cooking, enriched her appreciation for spices and ultimately led her

and husband Ben Balzer to giving up their tech careers to start their own business.

"Everything I made, from chili to Italian to Indian curries, came alive!" Dillan says. "Spices became our small joy and really made our daily life and foods better."

Dillan believes that people can significantly improve their quality of life by using great ingredients, and Spice Ace encourages customers to sample any and all of the products they have to offer. "The store is about adding small joys to your life and to those of your family and friends."

Spice Ace is located at 1821 Steiner Street (between Sutter and Bush), San Francisco, CA 94115. It is open Monday-Saturday, 10 a.m. to 6:30 p.m. and Sunday, 11 to 5. Call (415) 885-3038 or visit www.spiceace.com.
